## SPECIFICATIONS

|                     |               |
|---------------------|---------------|
| Capacity            | 5,000kg       |
| Ram Stroke          | 200mm         |
| Open Height         | 350mm         |
| Servo Motor & Drive | 4.2kW/MR-J3-A |
| Shank Hole          | φ30x50DP      |
| Width               | 180mm         |
